

TBIT LOADING DOCKS – NORTH AND SOUTH

Airport Operations announces the opening of both North and South Loading Docks at the Tom Bradley International Terminal (TBIT) with immediate effective. This is now the designated avenue for airside deliveries of supplies and wares to concessions, airline lounges, and other stakeholders in the Terminal. Airlines, concessions, and stakeholders are requested to ensure that their contracted vendors are made aware of the loading docks coming on line, and asked to comply with the delivery locations.

Attached are the Loading Dock Operational Procedures intended to provide guidance to personnel using the docks. Please share this with all personnel who operate or need to operate at the Loading Docks.
