

METRO PROJECTS TO IMPACT WESTBOUND CENTURY BOULEVARD APRIL 4TH-22ND (ESTIMATE)

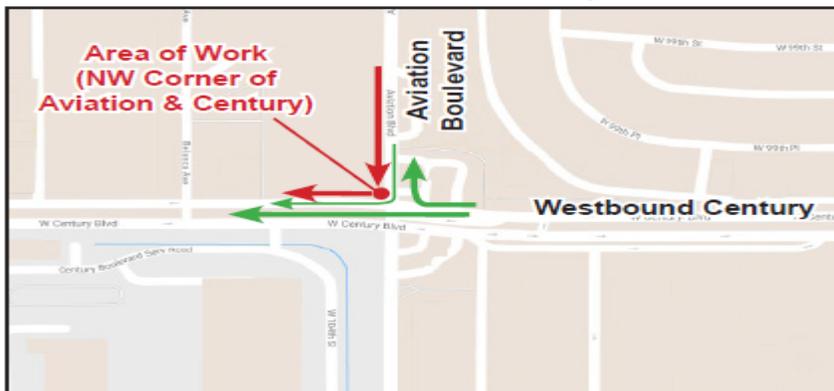

There will be two projects on westbound Century Blvd:

1. Crane activity will require full closure of westbound Century Blvd. from Aviation Blvd to Airport Blvd from April 4th through 7th nightly from 11PM to 7AM. Detour routes are illustrated below. The blue route is for truck traffic.

2. Reconstruction of the curb and gutter at the northwest corner of Century Blvd and Aviation Blvd will require lane closure from approximately April 9th through the 22nd. The work hours will be on week days from 9AM to 3PM and resume 9PM to 6AM and on weekends from 8AM to 5PM and resume 8PM to 6AM.

The right turn lane to westbound Century Blvd from southbound Aviation Blvd will be closed. Traffic will still be allowed to turn right using the center thru lane. The lane closest to the curb on westbound Century Blvd will also be closed. Two traffic officers will be on scene to help facilitate the flow of traffic. All lanes will be restored between shift changes.

For questions or comments regarding this advisory please contact Landside Operations Manager, Richard Chong rchong@lawa.org

Issue Date: April 3, 2018
