Los Angeles World Airports

Date: December 21, 2009

Memo To: Jake Adams, LAX Development Group, Airside Element Manager
All LAX Station Managers

From: Bob Werner, Airport Superintendent of Operations III

Subject: Upcoming LAX Development Group Airfield Projects

The LAX Development Group will commence airfield construction in January 2010 on the Crimson Oil Line Relocation, Bradley West Concourse and Core Terminal Project and the Taxilane S project.

Taxiway Q will close at 00001L on January 11, 2009 between Taxiway D and Taxiway Q-1.

Taxiway Q-1 between the American Eagle Commuter Terminal Ramp and Taxiway S will close at 00001L on January 15, 2010.

I have attached a map indicating the taxiway closures and associated work areas.

A reminder; please have all personnel continually check the Airport Operations Construction Website for upcoming taxiway and service road closures. Please see below for the link:
