- AUG 21ST, THURS. AT 2 PM
- SEPT 16TH, TUES. AT 10 AM
- OCT 22ND, WED. AT 2 PM
- NOV 19TH, WED. AT 10 AM
- DEC 11TH, THURS. AT 10 AM

**** RSVP IS STRONGLY RECOMMENDED ****

PURPOSE

This awareness level training is designed to enhance the knowledge of all airport stakeholders by providing exposure to key elements of hazards, understand it, and how to respond to the situation. The training illustrates baseline awareness and response actions that can help reduce vulnerabilities to the threat and improve preparedness. This response approach better enables airport workers to detect, protect against, and respond to hazards. Additional training opportunities in emergency management and preparedness will also be addressed.

WHO SHOULD ATTEND?

Airline employees, concessionaires, service providers, airline consortiums, volunteers, USO staff, partner agencies, and LAWA employees.

AGENDA

Module 1: Terminal evacuation, primary and alternate assembly areas; airport evacuation, exterior assembly areas

Module 2: Evacuating to the ramp; cautions in the AOA

Module 3: Active shooter overview, video

Module 4: Do's and don't following an earthquake

Module 5: Americans with Disabilities Act (ADA) awareness and action

Module 6: Additional emergency preparedness training opportunities

GENERAL INFORMATION:

The training lasts approximately 1 hour. **Please RSVP.** The training session may be subject to cancellation if the demand is low. To reach the LAX Administration East Building from the employee parking lot or the CTA, consider taking the Airline Connector shuttle buses that run every 10 minutes on the lower level. Stop at Terminal 1 or 7 and walk to the building. There is also limited parking available in the north & south LAWA employee lots.

For questions and to RSVP, please contact Richard Chong, LAWA Emergency Mgmt
