

## GENERAL SECURITY REQUIREMENTS

- Always wear and present your access media (identification badge) when entering into and/or within the secured areas of LAX, checkpoints and office buildings.
- Always swipe or present your own badge when gaining access to secured areas.
- Do not shortcut security systems that are in place to protect you.
- Do not “piggyback” or allow anyone to go through a security door or checkpoint with you.
- Challenge unauthorized and/or unbadged persons within the secured area and/or in LAWA buildings or offices. Report them to the Airport Police.
- Report suspicious or unusual activity or objects to the Airport Police.
- Report debris or other items that are adjacent to secure areas and/or perimeter fencing.
- Do not touch or move unattended articles. Report them to the Airport Police.
- Report open or malfunctioning doors or gates that lead to secured areas or offices to the Airport Police.
- Always keep unattended equipment secured.
- Always search vehicles and equipment left unattended when they have been parked in an unsecured location.
