### ACDBE Goals for Federal Fiscal Years 2021-2023

- LAX will set the ACDBE goals for federal fiscal years 2021-2023 for Non-Car Rental and Car Rental Concessions. The goal period will commence October 1, 2020 and end on September 30, 2023. The proposed goal is based upon the availability of ACDBE firms to perform the work as compared to the total number of available firms. LAWA analyzed five (5) local counties (Los Angeles, Orange, San Diego, San Bernardino, and Ventura) to determine all available firms with car rental-relevant NAICS codes and determined the ACDBE certification of firms using the California Unified Certification Program database. Adjustments to this percentage were made including taking into consideration the previous year's ACDBE achievement and the effects of COVID-19.
- The objective of LAWA's ACDBE Program is to provide equal access to concessions opportunities at LAX and to achieve a level playing field for certified ACDBE firms that could realistically expect to compete in the absence of discrimination.
- **LAWA will accept written comments related to this ACDBE goal until Monday, December 21, 2020.** Written comments should be sent to Joon Lee, Procurement Services Division, at [JLEE@LAWA.ORG](mailto:JLEE@LAWA.ORG).
