Re: Culver City Appointments
Los Angeles International Airport Community Noise Roundtable

Dear Chair Schneider:

On behalf of the City Council, I want to thank you for your continued dedication to reduce and mitigate adverse noise impacts caused by users of Los Angeles International Airport through your leadership of the Los Angeles International Airport Community Noise Roundtable (Roundtable).

I am pleased to inform you that on June 9, 2014, the Culver City City Council appointed a Representative and Alternate for membership on the Roundtable. The Representative is Culver City resident Ms. June Lehrman, who also is a City Council appointed member of the LAX Area Advisory Committee. Ms. Lehrman has attended Roundtable meetings in the past. The Alternate is Mr. Stephen Murray, an involved Culver City resident who expressed interest in the issues of the Roundtable and a readiness to serve the community.

We understand that the next meeting of the Roundtable will occur on July 9, 2014 and have informed the appointees of this date. We will also provide the Roundtable staff person, David Chan, with contact information for both Ms. Lehrman and Mr. Murray for the Roundtable roster and future notifications.

Sincerely,

Meghan Sahli-Wells
Mayor
