David Chan, LAWA Support for LAX-Community Noise Roundtable  
C/O LAWA Noise Management  
For Denny Schneider, Chair  
1 World Way  
Los Angeles, CA 90045

Request for membership to the LAX-Community Noise Roundtable

Dear Mr. Chan:

ARSAC requests membership in the Roundtable and by decision of it's board of directors designates me, Denny Schneider, as representative and Robert Acherman as my alternate.

Most people in the region recognize this Westchester based, regional organization as it has been involved with airport planning at LAX as well as the entire region for over 25 years. ARSAC is a recognized 501c3 non-profit whose goal is, and has been, to ensure LAX is safe, secure, and convenient along with the development of a network of airports throughout Southern California to continue meeting the ever increasing air travel and cargo demands of the region. ARSAC has two stipulated settlements with the City of Los Angeles to improve LAX and to establish a So Cal regional network of airports.

Over the years ARSAC has worked with many of the Roundtable member cities and community groups but did not request admission to this Board in the past because I, Denny Schneider, currently represents the Westchester Neighbors Association (WNA). Over the next six months, however, WNA is expected to complete the process of dissolving it's non-profit. The admission of ARSAC to the Roundtable at this time is prompted by the WNA dissolution and will facilitate my uninterrupted participation and support of Roundtable goals and objectives.

I want to thank all of my fellow LAX-Community Noise Roundtable members for their continued support and the confidence that they have expressed in my leadership.

Sincerely,

Handwritten signature of Denny Schneider in black ink.

Denny Schneider  
President
