

Revised Post #4 Escort Procedures

Effective immediately, LAWA badge holders with the Restricted Area Drivers (RAD) icon accessing Post #4 with a vehicle escort(s) are no longer required to contact Airport Operations prior to escorting the non-LAWA badged driver/vehicle. Approval for vehicle escorts through Post #4 will be granted by the Security Access Control Unit (SACU) that staff the security post based on proper vehicle identification and the required badge icons.

EXCEPTION: All vehicle over 14' high will still require approval from Airport Operations at (424) 646-5292. Please contact Airport Operations prior to escorting this type vehicle on the airfield.

For questions, please contact the Airside Manager, Jeff Mort, at jmort@lawa.org, 424-646-7489.
