Disclaimers

To the extent the Department provides information in this Report that the Department is not obligated to present or update, the Department is not obligated to present or update such information in future reports of annual financial information. Except as set forth in this Report, the Department has not updated any information contained in the Prior Reports.

By providing the information in this Report, the Department does not imply or represent (a) that all information provided in this Report is material to investors’ decisions regarding investment in the Bonds, (b) the completeness or accuracy of any financial, operational or other information not included in this Report or in the Official Statements (except as such material may be incorporated in this Report), (c) that no changes, circumstances or events have occurred since the dated date of the information provided or incorporated in this Report (other than as contained in this Report) or (d) that no other information exists which may have a bearing on the Department’s financial condition, the security for the Bonds or an investor’s decision to buy, sell or hold the Bonds.

The information set forth in this Report and incorporated hereby has been furnished by the Department and is believed to be accurate and reliable but is not guaranteed as to accuracy or completeness. Statements contained in or incorporated by this Report which involve estimates, forecasts or other matters of opinion, whether
or not expressly so described in this Report, are intended solely as such and are not to be construed as representations of fact. Further, expressions of opinion contained in this Report or incorporated hereby are subject to change without notice and the delivery of this Report will not, under any circumstances, create any implication that there has been no change in the affairs of the Department.

Due to its date of publication, certain information contained in this Report, including information concerning prior years, has been updated and is more current than some of the information contained in the Audited Financial Statements (as defined below), previous audited financial statements and Prior Reports of the Department, including, but not limited to, the unaudited information therein.

No statement contained in this Report should be construed as a prediction or representation about future financial performance of the Department. Historical results presented in this Report may not be indicative of future operating results.
