

Project Summary

Los Angeles International Airport (LAX)

\$3,948M

Airside

\$907M

Airfield Electrical Systems Rehabilitation
Bradley West Core Renovation, East Ramp and Concourse Demolition
Imperial Terminal Aircraft Parking
Midfield Satellite Concourse - North (Airside Components)
Noise Mitigation Program
Runway 6L-24R Runway Safety Area (RSA) Improvements and Rehabilitation
Runway 6R-24L Runway Safety Area (RSA) Improvements and Rehabilitation
Runway 7L-25R and Taxiway B East End Rehabilitation
Runway 7L-25R Runway Safety Area (RSA) Improvements
Runway 7R-25L Rehabilitation
Taxilane T Program
Taxiway B Rehabilitation between Taxiways T and C6
Terminal Taxilanes and Aprons Rehabilitation
West Aircraft Maintenance Area (WAMA)

Projects not included in Project Description section of this book:

Air Operations Area (AOA) Perimeter Fence Phase 4
Taxilane S
Terminal 1 Airfield Apron (Southwest Airlines Terminal Renovations)
Capital Renewal Allowance, Airside*

Landside

\$302M

Bradley West Traffic Mitigations
Buildings - Seismic Improvements
Central Terminal Area (CTA) Exterior Pedestrian Wayfinding and Signage
Coastal Dunes Improvements
Consolidated Rent-A-Car (ConRAC) Facility (Planning & Programming)
Landside Accessibility Improvements, Phases 1 & 2
Miscellaneous Demolition Projects
New Face of the Central Terminal Area (CTA), Phase 2
Parking Structure Improvements
Second Level Roadway Expansion Joint and Deck Repairs
Single Level Busing (Landside Components)
Skyview Center (Acquisition)
Transportation Improvements

Projects not included in Project Description section of this book:

Jenny Lot Site Modifications
Capital Renewal Allowance, Landside*

Project Summary

Los Angeles International Airport (LAX) - cont.

Terminals

\$2,447M

Bradley West Core Renovation, East Ramp and
Concourse Demolition (Terminals Component)
Bradley West Outbound Baggage Handling System
Elevator / Escalator Replacement Program
Elevators, Additional Capacity
Midfield Satellite Concourse - North (Terminals Component)
Passenger Boarding Bridges, Phase 1 - TBIT Relocation
Passenger Boarding Bridges, Phase 2
Pedestrian Bridge Improvements
Terminal 3 Connector
Terminal 3 Restroom Improvements
Terminal 4 Connector
Terminal 5 Restroom Improvements
Terminal 6 Electrical Upgrades
Terminal 6 Restroom Improvements
Terminal 6 Signage and Wayfinding
Terminal 6 Standby Power
Terminal 7 Restroom Improvements
Terminal Commercial Management - Terminals 1-3, 6, TBIT & Theme Building
Terminal Concession Enabling Project - Terminals 4, 5, 7 and 8
Terminal Renovation Project - Terminal 1 (Southwest Airlines)
Terminal Renovation Project - Terminal 2
Terminal Renovation Project - Terminal 5 (Delta Airlines)
Terminal Renovation Project - Terminal 6, 7 & 8 (United Airlines)
Terminal Visual & Auditory Paging
Terminals 1-8 Information Technology Minimum Point of Entry (MPOE)
& IT Room Expansion
Terminals 1-6 Federal Inspection Services (FIS) Improvements
Tunnel Sprinkler & Compartmentalization Improvements

Projects not included in Project Description section of this book:
Bradley West Gates
Terminal 1 & 2 Fire Life Safety
Terminal 3 Backfill
Capital Renewal Allowance, Terminals*

Project Summary

Los Angeles International Airport (LAX) - cont.

IT, Safety / Security & Utilities

\$291M

- Access Control & Alarm Monitoring System (ACAMS) for Baggage Handling Systems
- Airport Police Dispatch Remodel
- Central Utility Plant (CUP) Replacement
- Closed-Circuit Television (CCTV) System & Camera Coverage Enhancement
