

IMPORTANT ANNOUNCEMENT

EFFECTIVE NOVEMBER 7, 2018 new TSA guidelines, requires new language that must be included for **all badge transactions**. The new language specifically requires the Signatory Authority to attest to the need for each individual applicant to obtain the requested access and that the applicant acknowledges their responsibilities under Title 49, Code of Federal Regulations 1540.105(a).

(a) No person may:

(1) Tamper or interfere with, compromise, modify, attempt to circumvent, or cause a person to tamper or interfere with, compromise, modify, or attempt to circumvent any security system, measure, or procedure implemented under this subchapter.

(2) Enter, or be present within, a secured area, AOA, SIDA or sterile area without complying with the systems, measures, or procedures being applied to control access to, or presence or movement in, such areas.

(3) Use, allow to be used, or cause to be used, any airport-issued or airport-approved access medium or identification medium that authorizes the access, presence, or movement of persons or vehicles in secured areas, AOA's, or SIDA's in any other manner than that for which it was issued by the appropriate authority under this subchapter.

The following LAX applications and forms will be affected;

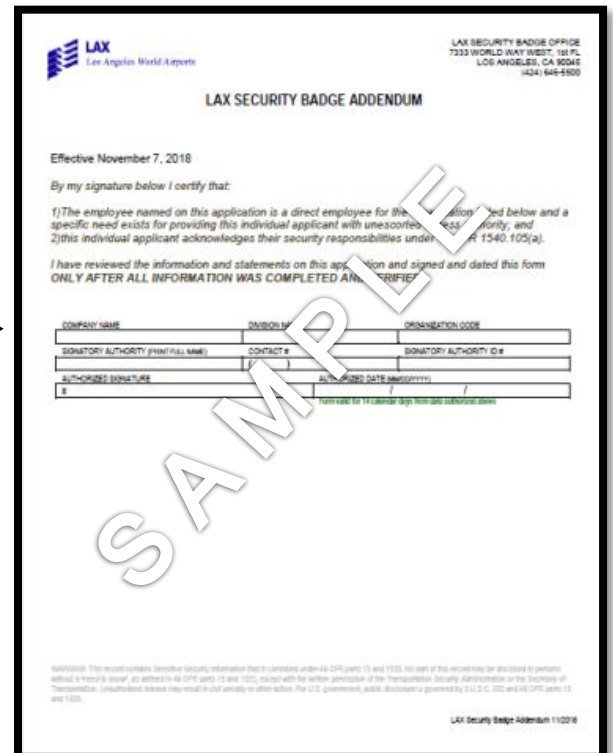

SECURITY BADGE REQUEST ★ TERMINAL ID CARD REQUEST ★ DAMAGE BADGE / ID CARD REQUEST

An addendum to the referenced applications will have to be attached if the revision date precedes November 2018. You may continue to use your compliment of printed applications **only** if the addendum is attached. Any application that does not have the addendum attached will not be processed.

Here is an image of the of the addendum that has been emailed to all authorized signers and can be found online. →

The Security Credentials Section (Badge Office) will update the electronic forms that are located in the Authorized Signer (OAS) portal by November 8, 2018. All applications will have the new revision date of November 2018.

Thank you for your commitment to a Gold Standard Airport and your continued efforts to keeping our airport safe and secure. If you have any questions or concerns please contact your coordinator.

The image shows a sample of the LAX Security Badge Addendum form. The form is titled "LAX SECURITY BADGE ADDENDUM" and is effective as of November 7, 2018. It contains a certification statement where the signatory authority certifies that the employee named on the application is a direct employee and that the individual applicant acknowledges their security responsibilities under Title 49, Code of Federal Regulations 1540.105(a). The form also includes a section for the signatory authority to review and sign the application, with fields for company name, division, organization code, signatory authority name, contact, signatory authority ID#, authorized signature, and approval date. A large "SAMPLE" watermark is overlaid on the form.
