

## The Security Credentials Section Online Badging System

The Security Credentials Section (LAX Security Badge Office) is excited to announce our new Identity Management and Credentialing System - LAW A IMCS.

LAW A IMCS provides our airport community with a web-based portal that enables all badging applicants and authorized signers to submit badge applications, and schedule all training and appointments online.

LAW A IMCS will streamline the application processes and enhance the customer experience overall.

LAX

Van Nuys

City of Los Angeles

Eric Garcetti  
Mayor

Board of Airport  
Commissioners

Sean O. Burton  
President

Valeria C. Velasco  
Vice President

Gabriel L. Eshaghian  
Beatrice C. Hsu  
Nicholas P. Roxborough  
Dr. Cynthia A. Telles  
Karim Webb

Justin Erbacci  
Chief Executive Officer

LAW A IMCS will email notifications to Authorized Signers and applicants to inform them of where they are in the application process. Those notifications will include fingerprint clearance status and the next steps required in the badge application process.

### Browser Requirements

Authorized Signers and Applicants will be able to use any of the following browsers to access LAW A IMCS portal from their workstation or mobile devices:

- Microsoft Edge
- Chrome
- Firefox
- Safari

**Note: Internet Explorer is *not a compatible* browser and MAY NOT be used to access LAW A IMCS.**

### Applicant Email Requirements

1. All applicants will **require** a unique LAW A IMCS OKTA account associated with their **unique** email address.
2. Applicants will receive email notifications on the email address associated with the LAW A IMCS account.
3. Two Factor authentication will be required for OKTA user account for LAW A IMCS.

In a few weeks, LAW A IMCS user training sessions will be offered for Authorized Signers. Stay tuned for additional information.
