

MEMORANDUM

DATE March 20, 2020

TO Los Angeles World Airports

FROM Troye Holmes Lieutenant, Vulnerability Assessment & Analysis Unit

SUBJECT Temporary Cancellation of the Prohibited Items Training (PIT)

The Airport Police Division Vulnerability Assessment & Analysis Unit (VAAU) is taking precautionary measures to reduce the spread of the Coronavirus (COVID-19), in response to Federal, State, County and City requirements. Effective March 16, 2020, VAAU has temporarily suspended the Prohibited Items Training course, through May 16, 2020.

During this period of suspension, applicants will not be required to have the Prohibited Items Training Stamp on badge applications for either new or renewal badging. However, all other previous badging requirements or procedures apply.

VAAU will monitor and assess the situation and apprise you of all updates. Please be mindful that the health and safety of the airport community is our highest priority. VAAU strongly encourages everyone to employ best health and safety practices in order to reduce the spread of the Coronavirus.

If you have any questions or concerns, please email us at, alertvaau@lawa.org, or contact VAAU office at **424-646-8228**, Monday through Friday, between 9am and 5pm.
