DEPARTMENT OF AIRPORTS

INSTRUCTIONS REGARDING DEMONSTRATION OF GOOD FAITH EFFORT

It is the policy of the City of Los Angeles to provide all MBEs, WBEs, and OBEs an equal opportunity to participate in the performance of all City contracts. Bidders must assist the City in implementing this policy by taking all reasonable steps to ensure that all qualified business enterprises including MBEs, WBEs and OBEs have an equal opportunity to compete for and participate in City contracts. A bidder's good faith efforts to reach out to MBEs, WBEs and OBEs will be determined from written documentation of the level of effort put into achieving the indicators. Failure to meet expected MBE/WBE participation levels will not by itself be the basis for disqualification or determination of noncompliance with this policy. However, failure to submit supporting documentation of a good faith effort within three days upon notification by the department and failure to achieve a minimum of 75 out of 100 Good Faith Effort evaluation points will render the bid non-responsive and will result in its rejection. Adequacy of a bidder’s good faith effort will be determined by the Department after consideration of the indicators of good faith as set forth below.

It should include the City of Los Angeles project name, name of bidder, areas of work available for subcontracting, and a contact person's name and telephone number, information on the availability of plans and specifications and the bidder's policy concerning assistance to subcontractors in obtaining bonds, lines of credit and/or insurance.
