ATTENTION BIDDERS/PROPOSERS:

The project you are bidding/proposing on has an anticipated M/WBE level of participation. If you intend to use M/WBE subcontractor(s) on the project, you will receive M/WBE participation credit from LAWA for using subcontractors certified as an MBE or WBE only if they have been certified by one of the following California Unified Certification Program (CUCP) agencies:

CALIFORNIA DEPARTMENT OF TRANSPORTATION (CALTRANS)
www.dot.ca.gov

CITY OF LOS ANGELES
http://bca.lacity.org

LOS ANGELES COUNTY METROPOLITAN TRANSPORTATION AUTHORITY (METRO)
www.metro.net

OR

SOUTHERN CALIFORNIA MINORITY BUSINESS DEVELOPMENT COUNCIL (SCMBDC)*
www.scmbdc.org

*MBE only. SCMBDC certified firms must register in the Los Angeles Business Assistance Virtual Network (LABAVN) for certification verification.

IMPORTANT: It is your responsibility to ensure that the M/WBE subcontractors you propose to use are indeed certified with one of the above-listed agencies at the time of bid/proposal submission. Companies certified by these agencies should have a letter of certification as proof of their M/WBE status. You may want to request a copy of the certification letter from the subcontractors to verify their M/WBE status. Further, you must ensure that the specific categories of work that the M/WBEs will perform on the project match the NAICS (North American Industry Classification System) codes for which they were certified in order for you to receive M/WBE participation credit from LAWA.
