

Construction Hot Topics

Week of February 4 – 8, 2019

1. UPDATE: Departures Level Pedestrian Detour between Terminals 1 & 2

- Work has begun to construct a protective canopy over the new, temporary pedestrian sidewalk on the Departures Level pick-up lane between Terminals 1 and 2 as part of the Terminal 1.5 Site Improvements project
- The canopy is expected to be complete by early March 2019; the detour will be in place through March 2020

3. UPDATE: Terminal B Construction Barricades

- The first round of barricading is complete in Terminal B for construction on a retail store; next, this barricading will receive a “coming soon” graphic
- Additional barricades can be expected at this area over the coming months; updates to follow

Construction Hot Topics

Week of February 4 – 8, 2019

4. Escalator Closures at Terminals 3 and 5

- At Terminal 3, Escalator 09 (curbside) is closed continuously for maintenance work; it is scheduled to re-open by the end of February, dependent upon weather conditions
- At Terminal 5, Escalator 05 (between underground tunnel and concourse) will be closed nightly through February 8 for maintenance work
- Detour signage is in place at all location to direct guests to the next available escalator / elevator
