

LOS ANGELES WORLD AIRPORTS

MEMORANDUM

DATE May 29, 2020

TO Division Managers

FROM Melissa Molina, Rideshare Program Manager 

SUBJECT **Annual Employee Transportation Survey - Division Survey Liaison Request**

The LAWA Rideshare Office is preparing to launch the Annual Transportation Survey and requests your assistance with designating a member of your staff as Division Survey Liaison. The liaison will assist Rideshare with ensuring that each division achieves 100% compliance in survey submittals. Rideshare will send periodic updates to the liaison throughout the survey period. Please send the name of your liaison to Daniel Oh, via email at doh@lawa.org by Friday, June 5, 2020.

All employees are required to complete the survey and most will do so electronically. However, if your division has a large number of employees without internet access, please designate a second staff person to assist your Division Survey Liaison with entering the paper survey data into the Online Transportation Survey (OTS) system. A listing of last year's designated Division Survey Liaisons is attached for your reference.

Thank you for your support in ensuring LAWA's compliance with our mandated air quality reporting requirements. Should you require additional information, please contact Melisa Molina at 424-750-0723.
