910 Make Work Type field read-only when the WO record is saved as an EM

- Work Type field is made read-only when the WO record is saved as an EM

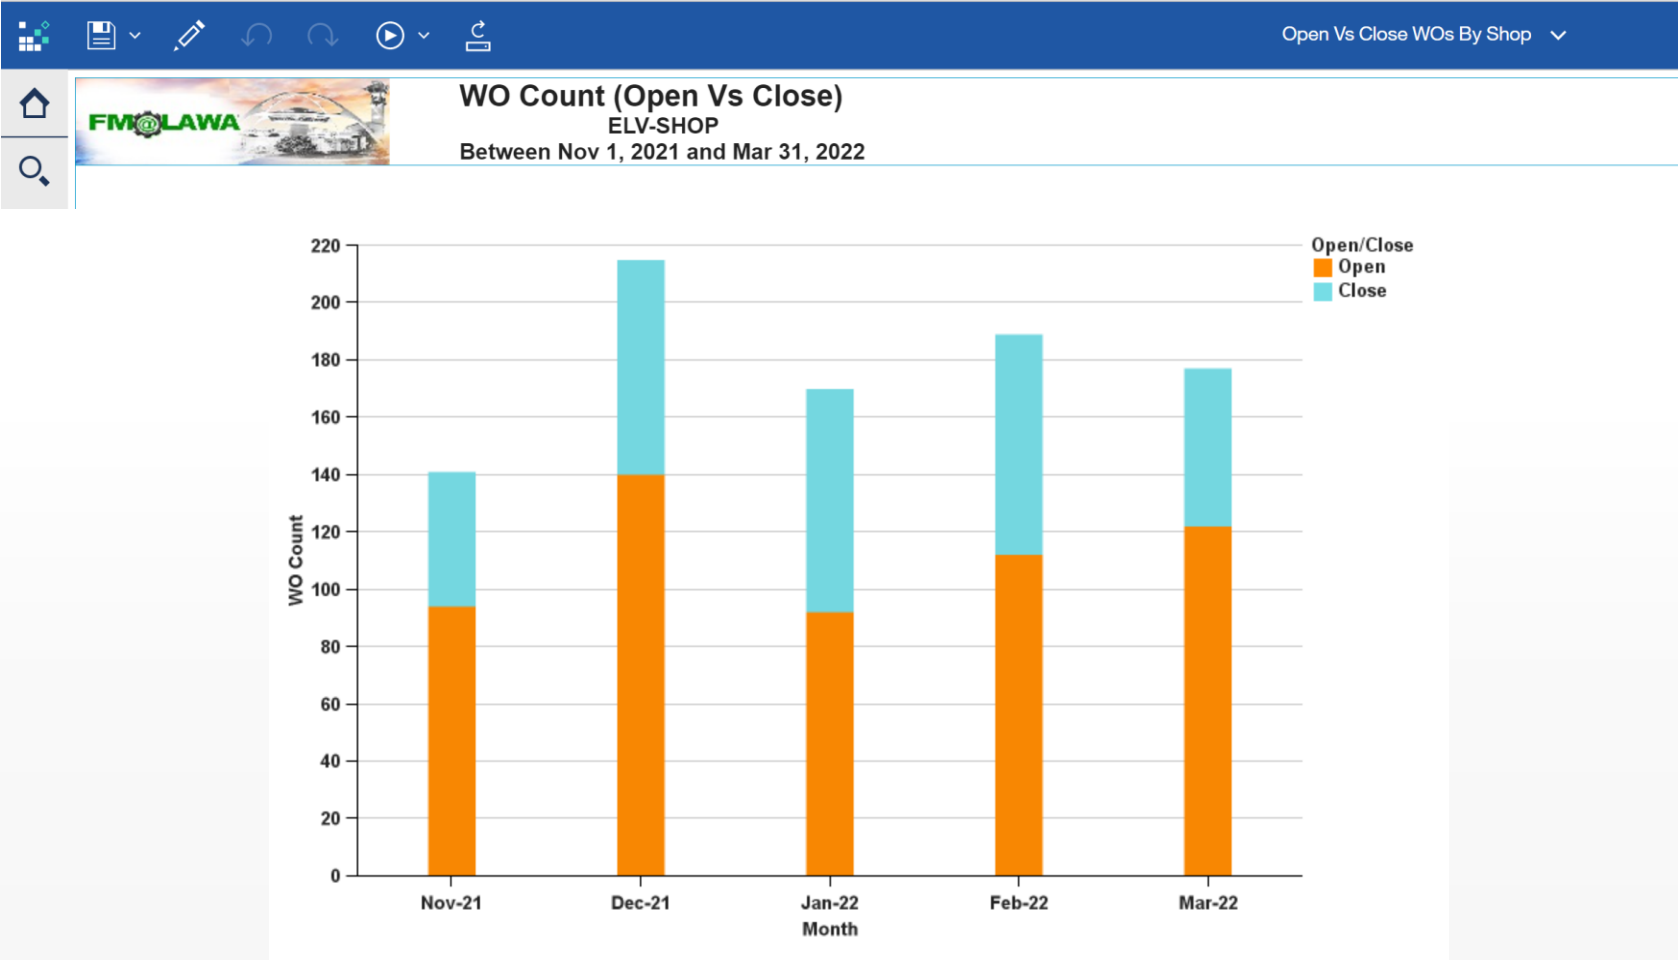

The screenshot displays a web application interface for a Work Order. At the top, there is a navigation bar with tabs: 'List View' (selected), 'Work Order', 'Plans', 'Related Records', 'Actuals', 'Log', 'Specifications', and 'Map'. Below the navigation bar, the main content area shows the following information:

- Work Order: W3706744
- RGTX4 - Elevator PM, ELV-WEST-PAD-412 - 1-Month Elevator
- Work Group: ARCC_FMR
- Status: INPRG
- Status Date: 4/26/22 10:59 AM
- Work Type: EM

The 'Work Type: EM' field is highlighted with a red rectangular box, indicating it is the focus of the requirement.

915 Request to create Cognos Report for Open/Closed WO's per shop

- Cognos report is available as requested.

+ [RGTX4 - Elevator PM, ELV-WEST-PAD-412 - 1-Month Elevator](#) 📄

+ Work Group: M49

Status: APPR

Status Date: 4/20/22 1:51 PM

Work Type: EM 🔍

912 User should not be able to enter a Person Group that is not on the list

- Users can only select groups which are in the respective lists for “Work Group” & “Non-LAWA Work Group” fields.

The screenshot displays a software interface with a top navigation bar containing icons for navigation and actions. Below this is a tabbed menu with options: List View, Work Order (selected), Plans, Related Records, Actuals, Log, Specifications, and Map. The main content area shows a 'Work Order' entry with the ID 'W3706744' and the description 'RGTX4 - Elevator PM, ELV-WEST-PAD-412 - 1-Month Elevator'. The 'Work Group' is set to 'M49'. Below this, the status is 'APPR', the status date is '4/20/22 1:51 PM', and the work type is 'EM'. A 'User Information' section is visible. At the bottom, the 'Reported Date' is '4/20/22 1:50 PM'. A system message dialog box is overlaid on the right side of the screen, displaying a warning icon and the text: 'System Message' followed by 'BMXZZ7127E - Please select a valid call sign.' and an 'OK' button.
