

TBIT SAFETY ADVISORY #1

3-13-07

RED SAFETY ZONE ADVISORY

Due to the removal of LAWA/LAX Recycle Bins from the affected **Red Safety Zone Area** and soon to be implemented restriction of wood pallet deliveries to the terminal, respectively request your ground operations initiate company procedures which pull the wood pallets from your carts before their transport to the terminal.

YELLOW SAFETY ZONE ADVISORY

This week, inbound baggage system belts #4 and #5 are scheduled for shut-down and refurbishment. In addition to the loss of the (2) belts, the access will be narrowed to a bi-directional single lane and may have k-rail and construction workers transitioning.

GREEN SAFETY ZONE ADVISORY

Safety procedures in effect with no significant change of conditions to report.

BLUE SAFETY ZONE ADVISORY

Safety procedures in effect with no significant change of conditions to report.
