APPRENTICESHIP READINESS PROGRAM (ARP)

HireLAX's Contractor Open House

Our quarterly-held, Contractor Open House is one thing that sets the HireLAX Apprenticeship Readiness Program apart from all other programs. Contractors from various LAWA projects, join us on the last day of class to interview and potentially hire graduates of the program. This has been a wonderful success as contractors come to hire qualified individuals and grow their workforce from the local community. At the end of these interview sessions, our students are encouraged, fired up, and ready to give contractors their best.

How are you being inclusive?

As you know, many contract bids now include some form of commitment to community engagement and inclusivity. All contractors are encouraged to get involved with this unique program, specifically designed for LAWA contractors to succeed in inclusivity!

Consider joining us for the next Contractor Open House on August 4th at 8 A.M., at Los Angeles Southwest College. Please RSVP if you are interested in finding a new apprentice for your projects, by emailing Christina Watkins at cwatkins@lawa.org
