

# Construction Hot Topics

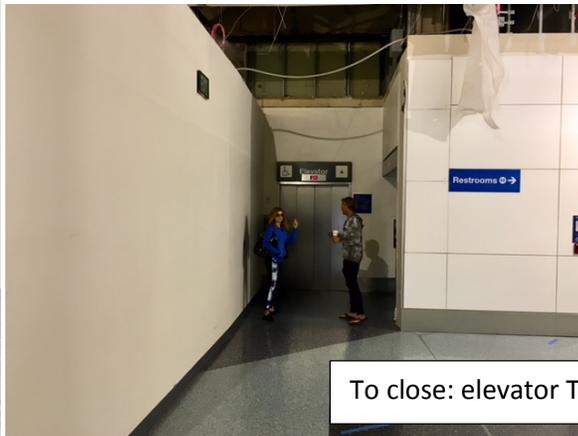

Week of: November 26, 2017 – December 2, 2017

## 1. Terminal 1: Elevators T1-3 and T1-4

- Terminal 1's elevator T1-3, accessible from the arrivals/baggage claim area by the Info Booth has opened! Later this week, elevator T1-4 will close; it is accessible from the arrivals level at the farthest east end of the terminal. Elevator T1-4 will be closed through early next year, so guests will need to be directed to the more centrally located elevator T1-3. (Elevator T1-1 on the farthest west end of the terminal is also still open and operating.)

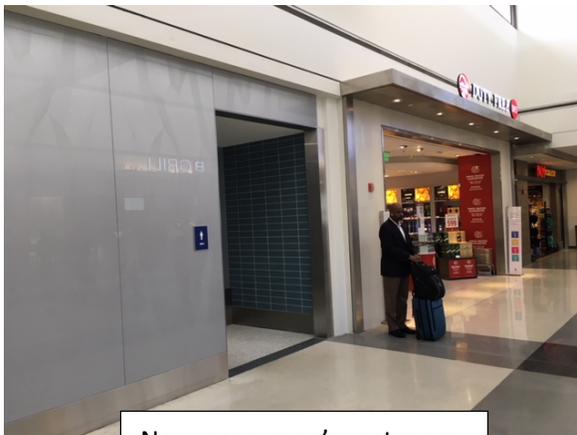

Open: elevator T1-3

To close: elevator T1-4

## 2. Terminal 7: Concourse

- The new men's restroom in the central concourse of Terminal 7 has opened! The new restroom is directly across from B-grill and next door to Duty Free.
- The women's restroom is still barricaded and slated to open in January 2018, although, it could open as soon as Christmas this year.

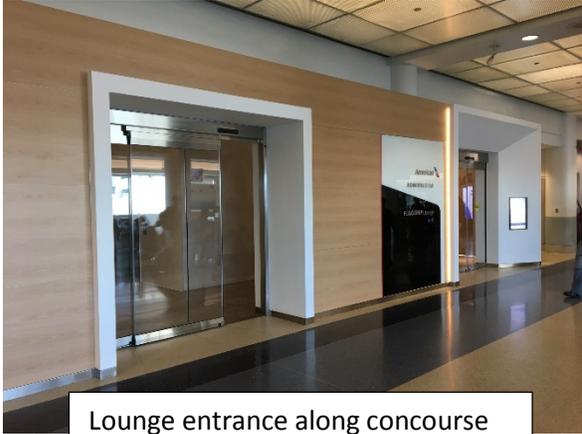

New open men's restroom

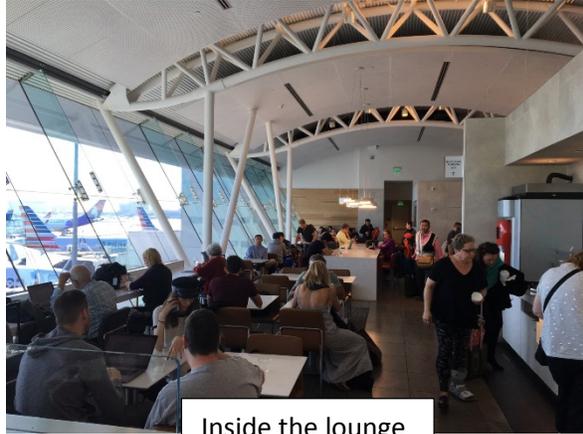

Women's restroom still behind barricades

### 3. Terminal 4: Concourse

- The renovated American Airlines lounge in Terminal 4 is now open! The newly renovated lounge is accessible along the north end of Terminal 4's concourse. This makes both of American Airlines' lounges renovated and open in both Terminals 4 and 5.

### 4. Terminal B: FIS

- Newly installed Brand USA graphics are visible throughout Terminal B's FIS area. These graphics are in partnership with Brand USA as part of a nationwide campaign, "Market the Welcome." These graphics are intended to give a sense of place and to welcome visitors.
