

6. Cargo Operations

In addition to all other Rules and Regulations, this section sets forth additional rules that pertain to the Los Angeles World Airports (LAWA) public owned cargo parking positions.

6.1. Los Angeles International Airport (LAX) Cargo Gate Assignments

- 6.1.1.** Contact the Airport Response Coordination Center (ARCC) at (424) 646-5292 for assignments for cargo aircraft parking on public gates.
- 6.1.2.** Parking Duration: Aircraft are not allowed to park on LAWA public parking spots for more than the scheduled ground time or 24 hours, unless prior approval is obtained from the ARCC.
- 6.1.3.** Approval of Extended Parking: Any requests for additional or extended parking, including weekend layovers, must be approved daily by the ARCC at (424) 646-5292.
- 6.1.4.** Relocation Requirement: Aircraft with a scheduled ground time exceeding 12 hours may need to relocate to another parking position or a tenant-controlled facility. Relocation can also occur at any time if required by LAWA operational needs to clear the gate for other aircraft.
- 6.1.5.** A 24-hour emergency contact shall be provided to the ARCC (424) 646-5292 for each carrier and ground handler.

6.2. General Cargo Rules

- 6.2.1.** Notify the ARCC at (424) 646-5292 with the following special circumstances:
 - a. Transfers of any livestock or other animals to and from transportation equipment
 - b. Any hazardous materials or fluids spills on the ramp
 - c. Oversized loads
- 6.2.2.** Do not block any wheeled fire extinguisher(s).

NOTE: See Section 8.4. Fire Protection Systems and Fire Extinguishers.
- 6.2.3.** Building or breaking down of cargo on the apron area is prohibited unless approved by LAWA Operations.
- 6.2.4.** Storing of cargo, equipment, or vehicles beyond the building lease limit line is prohibited.
- 6.2.5.** Designated equipment parking locations may only be used by loaders and tail stands. All other equipment in these locations is subject to impound.
- 6.2.6.** Aircraft parking position setup is restricted to one hour prior to flight arrival unless the gate is occupied.
- 6.2.7.** All equipment shall be cleared from aircraft parking positions immediately after completion of aircraft servicing activities.

6.2.8. All fluid or cargo spills shall be cleaned up immediately.

6.2.9. Extended stays will only be approved in 24-hour increments and will be granted or denied on a case-by-case basis, dependent upon the operating and scheduling needs of the airport. The airline shall be responsible to make any necessary arrangements to move its aircraft immediately when directed by the ARCC.

NOTE: Aircraft with a scheduled ground time greater than 12 hours may be required to relocate to another aircraft parking position or a tenant-controlled facility; relocation may also occur at any time deemed necessary by LAWA operational needs in order to clear the gate for other aircraft.
