Notice of Public Scoping Meeting

AIRFIELD & TERMINAL

MODERNIZATION PROJECT

Los Angeles World Airports (LAWA), the City of Los Angeles Department that operates City-owned airports, will hold a public scoping meeting/information workshop for a Draft Environmental Assessment (EA) for the proposed Airfield and Terminal Modernization Project at Los Angeles International Airport (LAX). The Draft EA is being prepared to comply with Federal Aviation Administration (FAA) requirements under the National Environmental Policy Act of 1969 (NEPA).

The meeting will provide an opportunity for public comment concerning the Proposed Action, purpose and need for the Proposed Action, alternatives to the Proposed Action, and potential environmental effects of the LAX Airfield and Terminal Modernization Project to be analyzed in the Draft EA. LAWA invites you to make your voice heard by submitting comments at the scoping meeting or via any or our contact tools by Tuesday, July 30, 2019.

Public Scoping Meeting

Thursday, July 18, 2019

6:00 p.m. to 8:00 p.m. (Pacific Daylight Time)

Flight Path Museum & Learning Center

6661 W. Imperial Highway,

Los Angeles, CA 90045

Los Angeles World Airports
P.O. Box 92216

AIRFIELD & TERMINAL MODERNIZATION PROJECT

PROJECT DESCRIPTION

LAWA is proposing to implement the LAX Airfield and Terminal Modernization Project ("project") as part of LAWA's continuing commitment to maintain LAX as a world-class airport. The project consists of several primary elements, including airfield enhancements to increase efficiency and safety within the north airfield, new terminal facilities to upgrade passenger processing capabilities and enhance the customer experience, and an improved system of roadways to better access the Central Terminal Area (CTA) and reduce surface traffic congestion.

PROJECT COMPONENTS

- **Airfield Improvements (North Airfield).** Airfield safety and efficiency would be enhanced with the westerly extension of Taxiway D and the reconfiguration of runway exits from the northernmost runway. Remote gates on the western side of the airport would be removed.
- **Terminal Improvements.** Concourse 0 and Terminal 9 would be constructed to replace remote gates that would be eliminated by the proposed Taxiway D westerly extension. Concourse 0 would be an 11-gate concourse facility (net increase of 9 gates) east of Terminal 1. Terminal 9 would be a new 12-gate international and domestic passenger terminal southeast of the Sepulveda/Century Boulevard intersection. Taxiways would be modified to provide aircraft access to these new facilities.
- **Roadway Improvements.** New arrival and departure roadways would improve access to and from the CTA. Convenient access to Terminal 9 would be provided by a new Automated People Mover (APM) station and a pedestrian bridge across Sepulveda Boulevard linking Terminals 8 and 9.

Environmental Assessment: The Draft EA will be prepared in accordance with NEPA to examine potential impact categories as required by Federal Aviation Administration Order 1050.1F and Order 5050.4B. Once prepared, the Draft EA will be available for public and agency review and comment on the project's website <https://www.lawa.org/ATMP>.

Comments: Comments can be submitted on the LAX website (<https://www.lawa.org/ATMP>) or sent to Ms. Evelyn Quintanilla, Chief of Airport Planning II, at Los Angeles World Airports, P.O. Box 92216, Los Angeles, CA 90009-2216. **Comments must be received by LAWA no later than 5:00 p.m. on Tuesday, July 30, 2019.** LAWA recommends that any comments submitted electronically should also be mailed to ensure that comments are received.

By including your name, address and telephone number, email or other personal identifying information in your comment, be advised that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold from public review your personal identifying information, we cannot guarantee that we will be able to do so.

Accommodations: As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability and, upon request, will provide reasonable accommodation to ensure equal access to its programs, services, and activities. Alternative formats in large print, braille, audio, and other formats (if possible), will be provided upon request. Sign language interpreters, assistive listening devices, and other auxiliary aids and/or services may be provided, if requested a minimum of 72 hours prior to the public meetings, by calling (800) 919-3766. **Si desea esta información en español, llame a (800) 919-3766.**
