Mr. David Chan, Admin for LAX-Community Noise Roundtable via e-mail dchan@LAWA.org

In accordance with the bylaws of the LAX-Community Noise Roundtable ARSAC requests two more years of continued membership commencing 2025 on the Roundtable with Denny Schneider as board member and Robert Acherman as the alternate.

ARSAC is a California based 501c3 tax organization that has over a 25 year history of promoting safety, security, and convenience of airports by working with community members and groups, airports, elected officials and governmental representatives, FAA, and airlines to protect and improve air commerce while ensuring minimization of impacts on communities surrounding airports.

We look forward to seeing everyone at the January 2023 meeting and wish everyone a safe and healthy holiday period.

Sincerely,

Denny Schneider

**RE: NOMINATION FOR THE SAN GABRIEL VALLEY COUNCIL OF
GOVERNMENTS DELEGATE ON THE LOS ANGELES INTERNATIONAL
AIRPORT COMMUNITY NOISE ROUNDTABLE**

Dear Chairman Schneider,

The San Gabriel Valley Council of Governments (SGVCOG) respectfully requests re-appointment to the Los Angeles International Airport Community Noise Roundtable as an At-Large member. SGVCOG intends to reappoint Councilmember Keith Eich (La Cañada Flintridge) to serve as the SGVCOG Delegate on the Roundtable. The appointment will be approved by the SGVCOG Governing Board on January 16, 2025.

The SGVCOG is a joint powers authority of thirty-four member agencies that are located in the San Gabriel Valley. The SGVCOG is also the largest and most diverse sub-regional government entity in Los Angeles County. The SGVCOG Governing Board acknowledges that the Roundtable aims to reduce and mitigate the adverse noise impacts that users of LAX create on the surrounding communities. Understanding that many of our member agencies have received aircraft noise complaints from their residents and constituents, the SGVCOG looks forward to continuing participating in the Roundtable's discussions and foster cooperation between LAX and local impacted communities to achieve noise impact reduction.

Please do not hesitate to contact SGVCOG Principal Management Analyst, Steph Wong, at swong@sgvcog.org if you have any questions or concerns.

Sincerely,

Marisa Creter
Executive Director
San Gabriel Valley Council of Governments

RE: United Neighborhoods Neighborhood Council (UNNC) LAX Roundtable Seat – Request for Membership Renewal

Via email to dchan@lawa.org

Dear Mr. Chan:

This letter is to formally inform you and the LAX Roundtable that on January 9, 2025, the UNNC Governing Board voted (16 yes, one abstain) to request that UNNC's current membership in the LAX Roundtable be renewed, in recognition that the effects of the 2017 North Downwind/NextGen changes to the LAX flight patterns over the UNNC area continue to negatively impact the neighborhood.

We also reaffirm that UNNC's primary representative for UNNC continues to be Curt Bouton, with Jeff Camp as alternate.

Please let us know if we need to do anything else to renew our membership. Thank you for attending to this and for the Roundtable's work to mitigate noise issues from LAX.

Sincerely,

A handwritten signature in blue ink that reads 'Paula Southern'.

Subject: Re Request for Reappointment to the Roundtable membership
Date: Monday, January 13, 2025 12:54:42 PM

Good afternoon Elizabeth and David:

I hope this note finds you both safe and doing well.

These are trying times for many parts of our city including the valley and our West Hills Neighborhood Council (WHNC).

Due to the current situation with fire and winds, the WHNC found it necessary to cancel several meetings recently but please accept this as a request to reappoint Brad Vanderhoof and Myrl Schreibman to Roundtable membership.

Thank you for your consideration.

Best regards,
Charlene Rothstein
