

INCENTIVE FUNDING ANNOUNCEMENT

LAX Zero-Emission Heavy-Duty Vehicle Incentive Program

Los Angeles World Airports is thrilled to introduce the updated LAX Zero-Emissions Heavy-Duty Vehicle Incentive Program, designed to accelerate the shift towards cleaner airport vehicle operations. This program provides financial incentives to reduce the cost of purchasing new, zero-emission heavy-duty trucks, replacing diesel-fueled heavy-duty trucks.

Eligible applicants for this incentive program include owners of diesel-powered, heavy-duty trucks currently operating at LAX. This may include, but not necessarily limited to, deliveries, maintenance, catering trucks, waste management trucks, etc.

The program aims to:

- Champion LAX heavy-duty vehicle truck operators to make that transition from diesel to zero-emission vehicles
- Drive greater air quality emission reductions above and beyond the current LAX Alternative Fuel Vehicle Policy
- Fast-track the replacement of diesel-fueled, heavy-duty vehicles

For more details, please visit the [LAX Alternative Fuel Vehicle Program](#) under the Zero-Emission Heavy-Duty Vehicle Incentive Program. After the June 12, 2025 Virtual Workshop, LAWA will post the slide deck and application on the same website.

| Important Date | |
|--|--|
| Announcement and Application date- email will be sent | June 6, 2025 (Friday) |
| Applicant Virtual Workshop #1 Team Meeting link: Click here to join Applicant Workshop #1 Meeting Meeting ID: 278 018 226 105 9 Passcode: xV3az6kc | June 11, 2025 (Wednesday) 9:00 to 9:30 AM PST |
| Applicant Virtual Workshop #2 Team Meeting link: Click here to join Applicant Workshop #2 Meeting Meeting ID: 213 432 572 620 4 Passcode: Wt2of7xT | June 12, 2025 (Thursday) 4:30 to 5:00 PM PST |
| Deadline to submit application | July 18, 2025 (Friday) |
| Announcement of Awardees | 4Q 2025- 2Q 2026 |
| Finalize contractual agreements between LAWA and awardee: disburse incentive funding | 2Q 2026 – 4Q 2026 |
