What's Next at HireLAX

This month marks seven years of HireLAX helping the community! Cohort #1 hit the ground running in September of 2017. The current HireLAX class, (Cohort #22), will put us over 500 graduates that have gone through our 8-week pre-apprenticeship program!! HireLAX has graduated 477 students who have collectively earned tens of millions of dollars!

HireLAX has helped moved families out of poverty, changed the trajectory of communities, and continues to change the face of construction. Thank you LAWA, for pulling together the perfect group of partners to develop, implement, and maintain an amazing local construction pre-apprenticeship program for the citizens of Los Angeles!

What's next you ask?? We're confident that 1,000 graduates are attainable and we will do everything we can to hit that target! In the meantime, stay tuned and continue to watch HireLAX change lives one graduate at a time.
