1. Terminal 4: Modernization Program

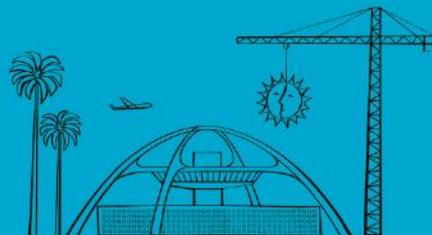

- Phase 1 of American Airlines' Terminal 4 Modernization Program will begin this week, bringing major changes to the terminal's passenger flow and Ground Transportation stops
- Work is scheduled to begin Wednesday, February 16 and is ongoing through December 2025
- On the Arrivals Level, existing Shuttle Stops will be relocated per the map below; signage will be in place directing guests to relocated stops
- See Page 2 of Construction Hot Topics for information on Departures Level Changes

Relocated Terminal 4 Arrivals Level Ground Transportation Stops as of 2/16/22

Change is in the Air(port).

LAX WAY BETTER. REALLY.

2. Terminal B: Construction Update

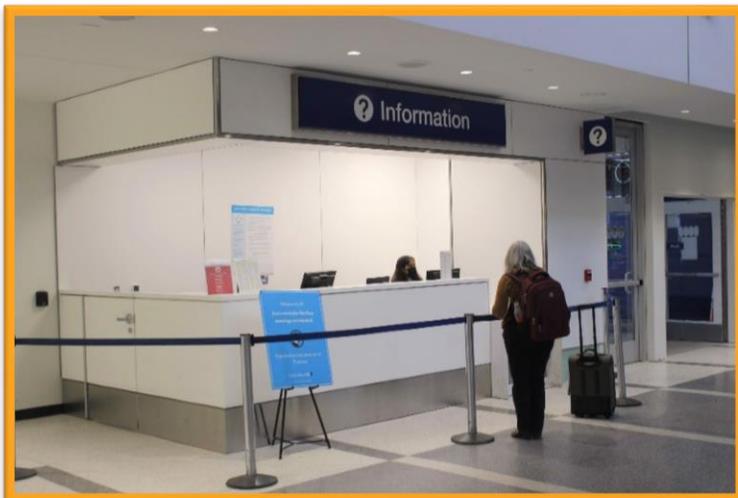

- Big changes are happening in Terminal B!
- New escalators have opened near the north end connecting guests between Level 1 (Arrivals / Bag Claim / Ground Transportation) and Level 3 (Departures / Ticketing / Hotel & Private Parking Shuttles)
- The Info Booth on the Departures Level has relocated near Aisle B
- Curbside, lane restrictions are now in place at the south end of the terminal, with the north end having been restored following the completion of certain phases of the project
- Watch Construction Hot Topics for more information on changes in our terminals!
