1. Terminal 5 / 6: Nightly Departures Level Impacts

- To facilitate enabling work for construction of the new Terminal 5.5 APM Pedestrian Bridge, the Hotel & Private Parking Shuttle Stop located between Terminals 5 & 6 (Departures Level) will be temporarily relocated nightly beginning Monday, March 21 through Saturday, May 28 from 12AM to 4AM
- The stop will be relocated to the east of the work area (near the west end of Terminal 6)
- Please note that due to heavy construction in the Central Terminal Area, some shuttle stop locations on both levels have recently shifted either temporarily or for the foreseeable future
- Please watch for posted signage and always use caution when traveling near construction areas
