## 1. Terminal 2 / 3 Central Headhouse Opening

- The new Terminal 2 / 3 centralized headhouse is scheduled to open to the public this week on Wednesday, April 20
- This new building will consolidate ticketing, check-in, security screening and baggage claim for passengers
- The new headhouse is the first major milestone opening for the Delta Sky Way program that will also feature a new concourse for Terminal 3 and a post-security connection between Terminal 3 and Tom Bradley International Terminal

*Seven security screening lanes will be open in April, and by summer all 14 will be open, 11 of which are Automated Screening Lanes*

## 3. REMINDER: Terminal 5.5 Pedestrian Bridge

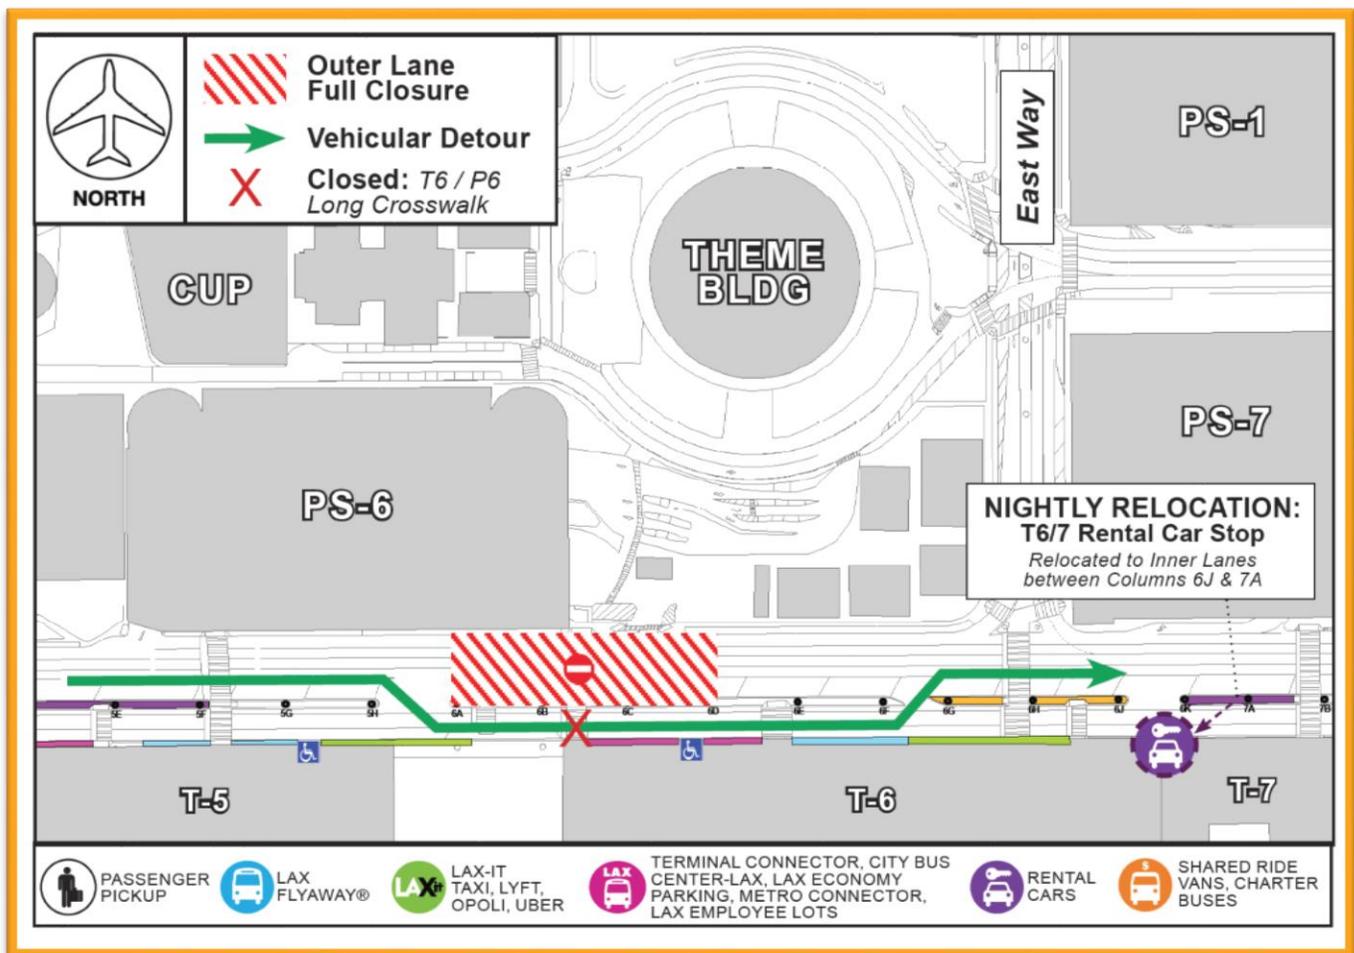

- The APM project will construct a Pedestrian Bridge over the roadways between Terminals 5 and 6 to connect the APM's Center CTA Station with the Terminal 5.5 Vertical Core

## Arrivals Level Impacts

- Overnight (10PM to 7AM) full closures of Arrivals Level Outer Lanes are scheduled through Wednesday, April 27 (no weekend work Friday nights through Sunday mornings) and overnight Monday, May 23 to Tuesday, May 24
- During overnight outer lane closures, all traffic will be detoured to the Inner Lanes
- The long crosswalk between Terminal 6 and Parking Structure 6 will be closed 24/7 for the duration of this work; Signage and flaggers will be in place to assist with wayfinding

## T6/7 Rental Car Shuttle Impacts

- During construction, the Terminal 6 / 7 Rental Car Shuttle Stop will be temporarily relocated to the Inner Lanes between Columns 6J and 7A (nightly only, between 10PM and 7AM)

Change is in the Air(port).

**LAX** WAY BETTER. REALLY.
